**Spectrum** - This class covers a wide area of circus skills - Manipulation, Aerial, Tumbling & Acrobalance. The perfect place to explore circus skills in general, or develop a specialised skill.

**Aerial** - Trapeze, tissu, cloudswing, web and lyra. For people who are passionate about aerial and would like to specialize in this field.

**Openspace Uncoached** - For students currently enrolled in another class to train independently and develop acts. Paid on a casual basis.

\* Saturday Adult Spectrum is particularly suitable for those lacking in confidence or returning to exercise

All classes run subject to enrolment numbers.

Fees are paid in bulk in week 2. Make up classes are not available, and fees are non refundable once the term has started. Please speak to us ASAP if you have any problems.

## Term Dates

10 weeks from  
12th July - 17th  
September

No public holidays  
this term.

## Come 'n' Try a class!

For \$10, you can come and try a class in the first week of term, meet the coaches and see if the class is for you! Then if you'd like to stay for the rest of term, we can book you in. Please contact us to organise your Come 'n' Try session.
